

## Gentex Corporation Announces Second Quarter 2013 Earnings Release Date and Conference Call

July 16, 2013

ZEELAND, MI--(Marketwired - Jul 16, 2013) - Gentex Corporation (NASDAQ: GNTX), the Zeeland, Michigan-based manufacturer of [automatic-dimming rearview mirrors](#) and camera-based lighting and [driver-assist systems](#) for the automotive industry, [commercial fire protection products](#) and [dimmable aircraft windows](#), today announced that it will release its 2013 second-quarter financial results on Wednesday, July 24, 2013, before the market opens. The Company will host a conference call for the investment community at 10:30 a.m. EDT to discuss the results. The call will also be available to the general public via a live audio webcast.

The dial-in number to participate in the call is 719-325-2455/passcode 5975075.  
(Call approximately 10 minutes before the start of the conference.)

Participants may listen to the call via audio streaming on the Gentex Investor Relations website (look for the webcast icon on the bottom of the home page) at [www.gentex.com](http://www.gentex.com).

A webcast replay will be available approximately 24 hours after the conclusion of the call at <http://ir.gentex.com/WebcastArchives>.

Founded in 1974, [Gentex Corporation](#) is the leading supplier of automatic-dimming rearview mirrors and camera-based lighting-assist and driver-assist systems to the global automotive industry. The Company also provides commercial smoke alarms and signaling devices to the North American fire protection market, as well as dimmable aircraft windows for the commercial, business and general aviation markets. Based in Zeeland, Michigan, the international Company develops, manufactures and markets interior and exterior [automatic-dimming automotive rearview mirrors](#) that utilize proprietary electrochromic technology to dim in proportion to the amount of headlight glare from trailing vehicle headlamps. More than half of the Company's interior mirrors are sold with advanced electronic features, and more than 98 percent of the Company's net sales are derived from the sale of auto-dimming mirrors to nearly every major automaker in the world.
