

Gentex Pledges \$300,000 to Support Kids' Food Basket

October 28, 2020

ZEELAND, Michigan, Oct. 28, 2020 (GLOBE NEWSWIRE) -- [Gentex Corporation](#) (NASDAQ: [GNTX](#)) announced today that it will donate \$60,000 annually for the next five years to support the financial needs of Kids' Food Basket, a nonprofit that develops community-based solutions to combat childhood hunger throughout West Michigan.

"We're so thankful to Gentex for its generous donation because it allows us to nourish more children in Ottawa and Allegan counties with good, nutritious food, especially during this critical time," said Kids' Food Basket President and Founding CEO Bridget Clark Whitney. "Gentex engineers even helped us streamline meal preparation by building custom tables for our new production space."

A majority of Gentex's donation will be applied toward the organization's Ottawa + Allegan "Feeding our Future" campaign to fund programs and building expansion. Specifically, the monies will support the recently completed renovation of the new Kids' Food Basket location in Holland, Michigan, which will hold a ribbon-cutting ceremony later today. Part of Gentex's donation will also help establish a matching gift fund to further encourage individual and corporate gifting.

"Children need good nutrition to be healthy, succeed academically, and reach their full potential," said Steve Downing, Gentex President and CEO. "This means Kids' Food Basket provides more than meals. They provide integral community resources that help break the cycle of poverty and build a stronger community. We're excited to support them as they enable West Michigan to better tackle childhood hunger."
