Section 8. Other Events

Item 8.01 Other Events.

Gentex Corporation (the "Company") filed suit on June 29, 2006, in the United States District Court for the Eastern District of Michigan against defendants K.W. Muth Company, Inc. and Muth Mirror Systems, LLC (collectively "Muth"), seeking relief for: breach of contract (by working with third parties to design, manufacture, and/or sell electrochromic signal mirror applications in violation of an exclusivity provision); tortious interference with a business relationship (by intentionally and improperly interfering with the Company's negotiations with certain customers); and patent infringement of the Company's U.S. Patent No. 6,111,683; as well as declaratory relief for non-infringement and invalidity of Muth's U.S. Patent No. 6,005,724.

It is too preliminary to make any assessment of how this litigation might proceed. However, the Company does not at the current time believe that the outcome of this litigation will have any material impact on its ongoing business operations. The suit does not involve the Company's core technology.

The above statements are being furnished pursuant to Item 8.01 of this Current Report on Form 8-K and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that Section, nor shall they be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act.
