Report on Form 8-K dated July 18, 2013

1. We note from the disclosure in your report on Form 8-K that separate from the purchase agreement for the Homelink business, the Company and the seller have entered into a supply agreement whereby the Company, subsequent to the closing of the Acquisition, agrees to supply HomeLink product to the seller for incorporation into the seller's vehicular products. With regards to this supply agreement, please tell us and explain in the notes to your financial statements how the terms of sale for products to be supplied to the seller under the terms of this agreement compare to the market rates for sales of similar products to other parties. If the terms of this supply agreement will be more favorable than those provided to other parties, please indicate whether any portion of the purchase price for the Homelink business will be allocated to this supply agreement.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of
