PROXY STATEMENT FOR ANNUAL MEETING
OF SHAREHOLDERS TO BE HELD MAY 11, 2006

QUESTIONS & ANSWERS

PROXY STATEMENT

Why am I receiving this Proxy Statement?

The Company's Board of Directors is soliciting proxies for the 2006 Annual Meeting of Shareholders. You are receiving a Proxy Statement because you owned shares of Gentex common stock on March 17, 2006, which entitles you to notice of, to attend, and to vote at the meeting. By use of a Proxy, you can vote whether or not you plan to attend the meeting. The Proxy Statement describes the matters on which the Board would like you to vote and provides information on those matters so that you can make an informed decision.

The notice of the Annual Meeting, Proxy Statement and Proxy are being mailed to shareholders on or about March 29, 2006.

What will I be voting on?

- o Election of three directors (see pages 6-8).
- o Ratify the appointment of Ernst & Young LLP as the Company's auditors for the fiscal year ending December 31, 2006 (see page 22).

The Board of Directors recommends a vote FOR each of the nominees to the Board of Directors, and FOR ratification of the appointment of Ernst & Young LLP as the Company's auditors for the fiscal year ending December 31, 2006.

How do I vote?

You can vote either in person at the Annual Meeting or by Proxy without attending the Annual Meeting. We urge you to vote by Proxy even if you plan to attend the Annual Meeting so that we will know as soon as possible that enough votes will be present for us to hold the meeting. If you attend the meeting in person, you may vote at the meeting and your Proxy will not be counted.

Please note that there are separate telephone and Internet arrangements depending upon whether you are a holder of record [that is, if your shares are registered in your own name with our transfer agent and you have possession of your stock certificate(s)] or whether you hold your shares in "street name" (that is, if your shares are held for you by your bank, broker or other record holder).

Shareholders of record voting by Proxy may use one of the following three options:

- o Voting by Internet (log on to <https://www.proxyvote.com> and follow the directions there). We recommend you vote this way as it is the most cost-effective method; or
- o Voting by toll-free telephone (instructions are on the Proxy Card or Voting Instruction Form); or
- o Filling out the enclosed Proxy Card or Voting Instruction Form, signing it, and mailing it in the enclosed postage paid envelope.

If you hold your shares in "street name," please refer to the information forwarded by your bank, broker or other holder of record to see which options are available to you.

The telephone and Internet voting facilities for shareholders of record will close at 11:59 p.m. EDT on May 10, 2006. If you vote over the Internet, you may incur costs, such as telephone and Internet access charges, for which you will be responsible. The telephone and Internet voting procedures are designed to authenticate shareholders by the use of control numbers and to allow you to confirm that instructions have been properly recorded.

Can I change my vote?

Yes. At any time before your Proxy is voted at the meeting, you may change your vote by:

- o Revoking it by written notice to the Secretary of the Company at the address on the cover of the Proxy Statement;
- o Delivering a later-dated Proxy (including a telephone or Internet vote);
- or
- o Voting in person at the meeting.

If you hold your shares in "street name," please refer to the information forwarded by your bank, broker or other holder of record for procedures on revoking or changing your Proxy.

How many votes do I have?

You will have one vote for every share of common stock that you owned on March 17, 2006.

How many shares are entitled to vote?

There were 153,486,860 shares of Gentex common stock outstanding as of March 17, 2006, and entitled to vote at the meeting. Each share is entitled to one vote.

How many votes must be present to hold the meeting?

Under the Company's Bylaws, a majority of all of the voting shares of the capital stock issued and outstanding as of March 17, 2006, must be present in person or by Proxy to hold the Annual Meeting.

What if I do not vote for some or all the matters listed on my Proxy Card?

If you return a Proxy Card without indicating your vote for some or all of the matters, your shares will be voted as follows for any matter you did not vote on:

- o For the approval of the director nominees to the Board listed on the card.
- o For ratification of Ernst & Young LLP as the Company's auditors for the fiscal year ended December 31, 2006.

How many votes are needed for the proposals to pass?

- o The three nominees for director will be elected by a plurality of the votes cast.
- o Ratification of the appointment of Ernst & Young LLP as the Company's auditors for the fiscal year ended December 31, 2006, must be approved by a majority of the votes cast.

What if I vote "abstain?"

A vote to "abstain" on the election of the directors or on the proposal will have no effect on the outcome.

What if I do not return my Proxy Card and do not attend the Annual Meeting?

If you are a holder of record and you do not vote your shares, your shares will not be voted. If you hold your shares in "street name," and you do not give your bank, broker or other holder of record specific voting instructions for your shares, your bank, broker or other holder of record may not be permitted to exercise voting discretion with respect to certain matters to be acted upon.

If you do not give your record holder specific voting instructions and your record holder does not vote on any of the proposals, the votes will be "broker non-votes." "Broker non-votes" will have no effect on the vote for the election of directors or the proposal.

Is my vote confidential?

Proxy instructions, ballots, and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within the Company or to third parties, except:

- o as necessary to meet applicable legal requirements;
- o to allow for the tabulation of votes and certification of the vote; or
- o to facilitate successful Proxy solicitation by our Board.

Occasionally, shareholders provide written comments on their Proxy Cards which are then forwarded to the Company's management.

ANNUAL REPORT

Will I receive a copy of the Company's Annual Report?

How can I receive a copy of the Company's Form 10-K?

The Company's Form 10-K and other SEC filings mentioned above are also available from the SEC's EDGAR database at <http://www.sec.gov>.

ELECTRONIC DELIVERY OF PROXY STATEMENT AND ANNUAL REPORT

Can I access the Company's proxy materials and Annual Report electronically?

This Proxy Statement and the 2005 Annual Report are available on the Company's Internet web site at:
http://www.gentex.com/corp_investor.html

Most shareholders can elect to view future Proxy Statements and Annual Reports and vote over the Internet instead of receiving paper copies in the mail.

If you are a holder of record, you can choose this option and save the Company the cost of producing and mailing these documents by:

- o Following the instructions provided when you vote over the Internet, or
- o Going to <https://www.icsdelivery.com/gntx> and following the instructions provided.

If you are a holder of record and you choose to view future Proxy Statements and Annual Reports over the Internet, you will receive an e-mail message next year containing the Internet address to access the Company's Proxy Statement and Annual Report. The e-mail also will include instructions for voting over the Internet. Your choice will remain in effect until you tell us otherwise. You do not have to elect Internet access each year.

If you hold your shares in "street name," and choose to view future Proxy Statements and Annual Reports over the Internet and your bank, broker or other holder of record participates in this service, you will receive an e-mail message next year containing the Internet address to use to access the Company's Proxy Statement and Annual Report.

HOUSEHOLDING INFORMATION

What is "householding?"

The Company has adopted a procedure called "householding," which has been approved by the Securities and Exchange Commission. Under this procedure, a single copy of the Annual Report and Proxy Statement will be sent to any household at which two or more shareholders reside if they appear to be members of the same family, unless one of the shareholders at the address notifies us that they wish to receive individual copies. This procedure reduces our printing and mailing costs, and fees.

Shareholders who participate in householding will continue to receive separate Proxy Cards.

Householding will not affect dividend check mailings in any way.

If a single copy of the Annual Report and Proxy Statement was delivered to an address that you share with another shareholder, at your request we will promptly deliver a separate copy. Any such requests should be directed to:

Corporate Secretary
Gentex Corporation
600 North Centennial Street
Zeeland, Michigan 49464

How do I withhold my consent to the householding program?

If you are a holder of record and share an address and last name with one or more holders of record, and you wish to continue to receive separate Annual Reports, Proxy Statements and other disclosure documents, you must withhold your consent by checking the appropriate box on the enclosed Proxy Card and returning it by mail in the enclosed envelope. Even if you vote by telephone or Internet, the enclosed Proxy Card must be returned and marked appropriately to withhold your consent to householding. Please note that if you do not respond by returning the enclosed Proxy Card that householding will start 60 days after the mailing of this notice.

Even if you do not return the Proxy Card to withhold your consent to the householding program, you may revoke your consent at a future date. Please contact Automatic Data Processing, Inc. ("ADP"), either by calling toll free at (800) 542-1061 or writing to ADP, Householding Department, 51 Mercedes Way, Edgewood, New York 11717. You will be removed from the householding program within 30 days of the receipt of the revocation of your consent.

If you are receiving multiple copies of the Annual Report and Proxy Statement at an address shared with another shareholder, you may also contact ADP to participate in the householding program.

A number of brokerage firms have instituted householding. If you hold shares in "street name," please contact your bank, broker or other holder of record to request information about householding.

SOLICITATION OF PROXIES

This Proxy Statement is being furnished by mail, or if shareholders have consented, by electronic delivery, on or about March 29, 2006, to the shareholders of Gentex Corporation as of the record date, in connection with the solicitation by the Board of Directors of the Company, of Proxies to be used at the Annual Meeting of Shareholders to be held on Thursday, May 11, 2006, at 4:30 p.m. EDT, at The Pinnacle Center, 3330 Highland Drive, Hudsonville, Michigan.

Each shareholder as of the record date, as an owner of the Company, is entitled to vote on matters to come before the Annual Meeting. The use of Proxies allows a shareholder of the Company to be represented at the Annual Meeting if he or she is unable to attend in person.

There are four ways to vote your shares:

- 1) By Internet at <https://www.proxyvote.com>. We encourage you to vote this way.
- 2) By toll-free telephone (refer to your Proxy Card or Voting Instruction Form for the correct number).
- 3) By completing and mailing your Proxy Card or Voting Instruction Form.
- 4) By written ballot at the Annual Meeting.

If the form of Proxy accompanying this Proxy Statement is properly executed using any of the methods described above, the shares represented by the Proxy will be voted at the Annual Meeting of Shareholders and at any adjournment of the meeting. Where shareholders specify a choice, the Proxy will be voted as specified. If no choice is specified, the shares represented by Proxy will be voted for the election of all nominees named in the Proxy and to ratify Ernst & Young LLP as the Company's auditors for the fiscal year ending December 31, 2006. These proposals are described in this Proxy Statement. A Proxy may be revoked prior to its exercise by (1) delivering a written notice of revocation to the Secretary of the Company, (2) delivery of a later-dated Proxy including a telephone or Internet vote, or (3) attending the meeting and voting in person.

VOTING SECURITIES AND RECORD DATE

March 17, 2006, has been fixed by the Board of Directors as the record date for determining shareholders entitled to vote at the Annual Meeting. On that date, 153,486,860 shares of the Company's common stock, par value \$.06 per share, were issued and outstanding. Shareholders are entitled to one vote for each share of the Company's common stock registered in their names at the close of business on the record date. Abstentions and broker non-votes are counted for the purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions and broker non-votes are not, however, counted in tabulations of votes cast on proposals presented to shareholders.

ELECTION OF DIRECTORS

The Company's Articles of Incorporation specify that the Board of Directors shall consist of at least six, but not more than nine members, with the exact number to be determined by the Board. The Board has currently fixed the number of directors at nine. The Articles of Incorporation also specify that the Board be divided into three classes, with the classes to hold office for staggered terms of three years each.

The majority of the members of the Company's Board of Directors qualify as "independent directors" as determined in accordance with the current listing standards of the NASDAQ National Market ("NASDAQ"). Based on the current NASDAQ listing standards, the Company's Board of Directors has identified and affirmatively determined the following individuals have no material relationships with the Company other than as a director and are independent: Gary Goode, John Mulder, Rande Somma, Frederick Sotok, Wallace Tsuha and Leo Weber.

The terms of current board members Fred Bauer, Gary Goode and Leo Weber expire upon the election of the directors to be elected at the Annual Meeting. The Board has nominated Fred Bauer, Gary Goode and J. Terry Moran for election as directors at the Annual Meeting, each to serve a three-year term expiring in 2009.

- 1) Messrs. Bauer and Goode were each previously elected as directors by the Company's shareholders in 2003.
- 2) J. Terry Moran has been nominated for election as a director for the first time. Based on information provided by Mr. Moran to the Board of Directors, the Board has affirmatively determined that Mr. Moran has no material relationships with the Company and will qualify as an independent director under the current NASDAQ listing standards, if elected. Prior to the current year, Mr. Moran has provided legal services to the Company through Varnum, Riddering, Schmidt & Howlett LLP ("VRSH"). Although Mr. Moran remains "of counsel" to VRSH, the Company's outside legal counsel, since his retirement as a partner in 2000 he receives only those nominal benefits accorded to retired partners under that firm's partnership agreement and compensation for services rendered to the firm on an hourly basis (less than \$7,000 during 2005). The Board does not believe these nominal benefits will have any impact on Mr. Moran's independence if elected (especially since Mr. Moran has not shared profits in VRSH since 2000). If elected, Mr. Moran will not provide any legal services to the Company, and will act solely in the capacity as a director. Mr. Goode, a member of the Company's Nominating Committee, recommended Mr. Moran to the Nominating Committee as a potential candidate for nomination for election as a director.

Unless otherwise specifically directed by a shareholder's marking on the Proxy Card, or in directions given either via the Internet or telephone, the persons named as Proxy voters in the accompanying Proxy will vote for the nominees described below. If any of these nominees becomes unavailable, which is not now anticipated, the Board may designate a substitute nominee, under the recommendation of the Nominating Committee, in which case the accompanying Proxy will be voted for the substituted nominee. Proxies cannot be voted for a greater number of persons than the number of nominees named.

A plurality of votes cast by shareholders at the meeting is required to elect directors of the Company under Michigan law. Accordingly, the three nominees who receive the largest number of affirmative votes will be elected, regardless of the number of votes received. Broker non-votes, votes withheld, and votes cast against any nominee will not have a bearing on the outcome of the election. Votes will be counted by Inspectors of Election appointed by the presiding officer at the Annual Meeting.

The Board of Directors recommends a vote FOR the election of all persons nominated by the Board.

The content of the following table relating to age and business experience is based upon information furnished to the Company by the nominees and directors, as of March 1, 2006.

If you want to recommend a director candidate, you may do so in accordance with the Company's procedures or the Company's Articles of Incorporation. If a shareholder desires to recommend a candidate for consideration by the Nominating Committee for inclusion in the Company's 2007 Proxy Statement as a Board nominee, that recommendation should be submitted in writing, together with appropriate biographical information, to the Chairman of the Nominating Committee, c/o Corporate Secretary's Office, Gentex Corporation, 600 North Centennial Street, Zeeland, Michigan 49464. Report of the Audit Committee

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities for management's conduct of the Company's accounting and financial reporting processes and the Company's system of internal controls regarding finance, accounting, legal compliance, and ethics. The Audit Committee's function is more fully described in its Charter, which the Board has adopted and is attached as Appendix A to this Proxy Statement. The Audit Committee reviews this Charter on an annual basis. The Board annually reviews the NASDAQ listing standards' definition of independence for audit committee members and has determined that each member of the Audit Committee meets that standard.

Management is responsible for the preparation, presentation, and integrity of the Company's financial statements, and financial reporting principles, internal controls, and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Company's independent auditors, Ernst & Young, LLP, are responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

Pursuant to a meeting of the Audit Committee on February 15, 2006, the Audit Committee reports that it has: (i) reviewed and discussed the Company's audited financial statements with management; (ii) discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU ss. 380); and (iii) received written disclosures and the letter from Ernst & Young LLP required by Independence Standards No. 1, Independence Discussions with Audit Committees, and discussed with the auditors the auditor's independence. Based on the review and discussions referred to in Items (i)-(iii) above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

The Audit Committee has selected Ernst & Young LLP as the Company's independent auditors for the year ending December 31, 2006, and has submitted the same to the shareholders for ratification at the Annual Meeting.

This report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of the other Company filings under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically requests that the information be treated as soliciting material or specifically incorporates this report by reference therein.

(1) Represents the aggregate market value at the date of grant for shares of common stock awarded under the Company's Restricted Stock Plan. Assuming continued employment with the Company, restrictions on shares lapse upon the expiration of five years from the date of grant. Dividends are and will be paid on these shares if, and to the same extent, paid on the Company's common stock. At the close of the Company's fiscal year, the following officers held the following number of restricted shares with the corresponding net market values: Garth Deur - 21,600 shares for \$421,200; Dennis Alexejun - 21,000 shares for \$409,500, John Carter - 18,700 shares for \$364,650, and Enoch Jen - 33,000 shares for \$643,500.

(2) These amounts represent the sum of restricted stock dividends, "matching" contributions by the Company pursuant to its 401(k) Plan and annual premiums for term life insurance attributed to each named executive officer.

(3) These amounts exclude the personal use of Company automobiles by Messrs. Bauer, Deur, Alexejun and Carter, pursuant to the Company's policy for use of such vehicles, and membership fees at two local country clubs for Messrs. Deur and Alexejun. Such amounts are below the threshold set forth in Item 402(b)(2)(iii)(C) of Regulation S-K. Amounts for the personal use of Company automobiles are, however, included in the named executives' taxable compensation to the extent applicable. Also excluded is personal use of Company aircraft, which the Company makes available to its executives when personal use does not conflict with any business purpose for the aircraft. However, the executive is required to reimburse the Company for its incremental cost for such use.

The following table contains information regarding stock options granted to the above-named executive officers during the preceding fiscal year.

Option Grants in Last Fiscal Year

Enoch Jen	40,400	2.0%	15.93	3/30/12	220,544

(1) These options become exercisable, so long as employment with the Company continues, for twenty percent of the shares on each anniversary of the grant date commencing with the first anniversary of the grant date.

(2) The exercise price may be paid in cash, in shares of the Company's common stock, and/or by the surrender of exercisable options valued at the difference between the exercise price and the market value of the underlying shares.

(3) Based on the Black-Scholes option valuation model, assuming volatility of 36 percent, a risk-free rate of return equal to seven-year treasury bonds, a dividend yield, where applicable, of 2.0%, and an exercise date of seven years after grant. This model is an alternative suggested by the Securities and Exchange Commission, and the Company neither endorses this particular model, nor necessarily agrees with this method for valuing options. The ultimate value of options will depend on the Company's success, as reflected by an increase in the price of its shares, which will inure to the benefit of all shareholders.

The following table contains information regarding the exercise of options during the preceding fiscal year by the above-named executives, as well as unexercised options held by them at fiscal year-end.

Executive Compensation Report

Responsibility. Responsibility for the Company's executive compensation program has been delegated by the Board of Directors to the Compensation Committee. The Compensation Committee is currently comprised of three members, each of whom the Board has determined meets the appropriate tests for independence for Compensation Committee members under the NASDAQ listing standards. The Compensation Committee operates under and in accordance with its Charter and is appointed by the Board to help the Board discharge its responsibilities related to compensation of the Company's executives.

Compensation Philosophy and Practice. The executive compensation program is composed of three elements: base salary, annual bonus, and stock-based incentives. These elements are utilized to accomplish several objectives:

- o Provide the means to attract motivate and retain management personnel.
- o Provide long-term success by focusing on continued technical development and improving customer satisfaction.
- o Provide base salary compensation that is competitive in the market for managerial talent.
- o Provide annual bonus compensation reflective of both individual achievement and overall Company performance.
- o Provide stock-based incentive compensation that focuses on long-term Company performance and aligning the interests of management with the interests of shareholders.

Base Pay Levels. Base compensation for executive officers is predicated primarily on competitive circumstances for managerial talent and positions reflecting comparable responsibility. Historically, base salaries for executive officers have been relatively low, and stock-based incentives have received more emphasis reflecting the entrepreneurial, high-growth rate stage of the Company's development. The Compensation Committee reviews compensation survey information, textual materials regarding executive compensation strategies, the past and expected contributions of the executive officers, comparisons of management compensation to nonmanagement compensation, and other available data in determining recommendations for base salary. With respect to the CEO, the performance of the management team assembled and led by him is also a factor.

Bonuses. Annual bonus compensation for executive officers is composed of two elements: payments under the Company's Profit-Sharing Bonus Plan and discretionary, performance bonuses. All employees of the Company, including the CEO and executive officers, are eligible to share in the Company's Profit-Sharing Bonus Plan after the first three months of employment. A percentage of pretax income, in excess of an established threshold for shareholder return on equity, is distributed quarterly to eligible employees. In addition, discretionary, performance bonuses are paid to various managerial employees, including the executive officers, based upon individual performance during the year and overall performance of the Company during the year.

Stock-Based Incentives. The stock-based incentive compensation is intended to align the interests of shareholders and management by making the managers shareholders in a significant amount, and providing them appropriate incentives to achieve Company successes which will hopefully lead to increases in the price of the Company's shares.

CEO and Executive Officers. The Compensation Committee has reviewed all aspects of the Chief Executive Officer's ("CEO") compensation and the executive officers' compensation, including base pay levels, bonuses, and stock-based incentives, as well as perquisites (as described in the footnotes to the Summary Compensation Table above). A summary sheet is prepared for the

Compensation Committee with respect to CEO and executive officers each year showing for each such officer their annual review quarter, annual base pay, profit-sharing bonus, discretionary bonus, stock option grants, and restricted stock grants. With respect to the CEO, each director completes a CEO evaluation form and the CEO completes a self-evaluation form. The Compensation Committee and the full Board of Directors then review those forms, discuss the review with the CEO, establish CEO compensation, and establish objectives for the next year based on the Company's compensation philosophy and practices. With respect to executive officers, the CEO provides input concerning base pay levels, bonuses (predicted approximately one-half on the executive officer's achievement and contributions to the Company's success and one-half on overall Company performance), and stock-based incentive awards.

Based on the foregoing, the Compensation Committee finds the CEO's and the executive officers' total compensation in the aggregate to be reasonable and not excessive. The Compensation Committee has approved the CEO's and executive officers' compensation, and will recommend and/or approve all such future compensation in accordance with the Compensation Committee Charter.

The Company has not adopted any long-term incentive plan or any defined benefit or actuarial plan, as those terms are defined in the applicable regulations promulgated by the Securities and Exchange Commission. Neither does the Company have any contracts with its executive officers assuring them of continued employment, nor any compensatory arrangement for executives linked to a change in control of the Company.

Directors who are employees of the Company receive no compensation for services as directors. Directors who are not employees of the Company receive a director's retainer in the amount of \$9,000 per year plus \$1,200 for each meeting of the Board attended and \$900 for each committee meeting attended. Directors who are chairman of the Compensation and Audit Committees receive a retainer in the amount of \$3,000 per year. In addition, each nonemployee person who is a director immediately following each Annual Meeting of Shareholders is entitled to receive an option to purchase 6,000 shares of the Company's common stock at a price per share equal to the fair market value on that date. Each option has a term of ten years and becomes exercisable in full six months after the date of the grant. The Company also makes Company aircraft available to directors for personal use if such use does not conflict with any business purpose for the aircraft. However, the director is required to reimburse the Company for its incremental cost for such use.

The Company has entered into consulting agreements with John Mulder and Ken La Grand, subsequent to each gentleman's retirement in June 2002 and January 2003, respectively. During 2005, the Company paid Mr. Mulder \$5,000 in consulting fees, plus reimbursement of business expenses. Mr. La Grand did not provide, and was not paid for, any consulting services or business expenses during 2005.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Compensation Committee is comprised solely of members of the Company's Board of Directors who are independent under the applicable NASDAQ listing standards. For the fiscal year ended December 31, 2005, that Committee was responsible for supervising the Company's executive compensation arrangements, including the making of decisions with respect to the award of stock-based incentives for executive officers during that year. The independent directors have approved CEO and executive officer compensation as required by applicable laws, rules and regulations.

CERTAIN TRANSACTIONS

Since 1978, prior to the time the Company became a publicly held corporation, the Company has leased a building that previously housed its main office, manufacturing and warehouse facilities, and currently houses production operations for the Company's fire protection products. The lessor for that building is G & C Associates, a general partnership, and nearly all of the partnership interests in G & C Associates are held by persons related to Fred Bauer. The lease is a "net" lease, obligating the Company to pay all expenses for maintenance, taxes, and insurance, in addition to rent. During 2005, the rent paid to this partnership was \$52,153, and the rent for the current fiscal year is the same. The Board of Directors believes that the terms of this lease are at least as favorable to the Company as could have been obtained from unrelated parties.

Jeremy Fogg, Director of Mechanical Program Management, is the son-in-law of Fred Bauer, the Company's Chairman of the Board and Chief Executive Officer. In 2005, Jeremy Fogg earned \$122,779, including profit-sharing and performance-based bonuses. Jeremy Fogg also received options to purchase 5,470 shares of Gentex common stock at an exercise price of \$17.13. All of Mr. Fogg's compensation is determined under and in accordance with the Company's existing compensation plans and policies applicable to all salaried employees.

Bruce Los, Vice President, Human Resources, is the brother-in-law of Garth Deur, the Company's Executive Vice President. In 2005, Bruce Los earned \$164,243, including profit-sharing and performance-based bonuses. Bruce Los also received options to purchase 9,000 shares of Gentex common stock at an exercise price of \$19.50. All of Mr. Los' compensation is determined under and in accordance with the Company's existing compensation plans and policies applicable to all salaried employees.

Marc Keizer, Manager of Business Planning, is the son-in-law of Kenneth La Grand, a member of the Company's Board of Directors. In 2005, Marc Keizer earned \$86,004, including profit-sharing and performance-based bonuses. Marc Keizer also received options to purchase 3,300 shares of Gentex common stock at an exercise price of \$19.50. All of Mr. Keizer's compensation is determined under and in accordance with the Company's compensation plans and policies applicable to all salaried employees.

The Company is highly selective, and hires new employees based upon merit. Employees may also be eligible for certain other benefits which are similarly available on no less favorable terms to other employees of the Company at the same level and pay rate. Family members of any employee are not discouraged from seeking employment.

Tax services primarily include amounts billed for assistance with the calculation of the extra-territorial exclusion and consultations on other tax matters. All non-audit services were pre-approved by the Audit Committee pursuant to the Revised Audit Committee Procedures for Approval of Audit and Non-audit Services by Independent Auditors, which is attached as Appendix B to this Proxy Statement.

I. ROLE:

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities for: (a) management's conduct of the Company's accounting and financial reporting processes; (b) the audits of the Company's financial statements; and (c) the Company's system of disclosure controls and internal controls regarding finance, accounting, legal compliance and ethics.

II. MEMBERSHIP:

A. Independence/Composition. The Audit Committee shall be comprised of not less than three (3) members of the Board of Directors. Each member of the Audit Committee shall meet independence and experience requirements of NASDAQ, the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Securities and Exchange Commission (the "Commission"). Accordingly, the members of the Audit Committee will consist of directors:

o None of whom has any relationship to the Company that would interfere with the exercise of his or her independent judgment as a member of the Audit Committee; and

o All of whom, as determined by the Board of Directors in its business judgment, are financially literate and have a working familiarity with basic financial and accounting practices and at least one member of the Audit Committee shall (barring a vacancy) meet the NASDAQ standard for financial sophistication and one member shall (barring a vacancy) be an "audit committee financial expert" in compliance with the criteria established by the Commission.

B. Appointment. The members of the Audit Committee shall be nominated and appointed annually to one year terms by the Board of Directors. The Board shall designate one member of the Audit Committee as Chair. Audit Committee members may be replaced by the Board. A member of the Audit Committee shall not simultaneously serve on the audit committees of more than two other public companies.

III. MEETINGS:

A. Schedule. The Audit Committee shall hold regular meetings at least quarterly each fiscal year. The meeting schedule shall include sessions with management, and the independent auditor. Each regularly scheduled meeting of the Audit Committee shall, however, conclude with an executive session of the Audit Committee, absent members of management and on such terms and conditions as the Audit Committee may elect. Special meetings of the Audit Committee may be called pursuant to any procedures established by the Audit Committee. Pre-meeting materials are expected to be distributed to Audit Committee members in sufficient time prior to meetings to permit review by members before such meetings.

B. Minutes/Reports. The Audit Committee shall keep written minutes of its meetings, including a report of all actions taken by the Audit Committee. Such minutes shall be delivered to the Board of Directors and shall be maintained with the books and records of the Company.

IV. RESPONSIBILITIES:

The Company's management is responsible for preparing the Company's financial statements, and the independent auditor is responsible for auditing the Company's financial statements. Consequently, the Audit Committee's role is one of oversight and does not provide any expert assurance or certification as to the Company's financial statements or the work of the independent auditor. The independent auditor, however, is directly accountable to the Audit Committee as set forth below.

The following functions are the common recurring activities of the Audit Committee in carrying out its oversight function:

1. Review, assess the adequacy of, and update this Charter periodically or as conditions dictate (no less often than annually).

2. Review and discuss with management the Company's annual financial statements and any reports or other financial information submitted to the Securities and Exchange Commission or to the public, including any report issued by the independent auditor, and including matters required to be reviewed under applicable legal, regulatory, or NASDAQ requirements. In lieu of the entire Audit Committee undertaking such review and discussion, the Chair may review and discuss with management if the entire Audit Committee's involvement is not required by any applicable law, rule, or regulation.

3. Review any management letters or other reports from the independent auditor, management's responses thereto, other communications between management and the independent auditor, and any subsequent updates on actions taken, as appropriate.

4. Recommend to the Board of Directors whether the financial statements should be included in the Annual Report on Form 10-K.

6. Discuss with management earnings press releases prior to dissemination, and financial information and earnings guidance provided to analysts and rating agencies. In lieu of the entire Audit Committee undertaking such discussions, the Chair may hold such discussions with management if the entire Audit Committee's involvement is not required by any applicable law, rule, or regulation.

7. Review management's assessment and report on the effectiveness of the Company's internal controls over financial reporting.

B. Independent Auditors

1. Select and appoint, determine the compensation of and funding for, evaluate, and provide oversight of the Company's independent auditor (engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services), including the removal of the Company's independent auditor, all within the Audit Committee's sole authority. The independent auditor shall report and be accountable directly to the Audit Committee, and the Audit Committee shall oversee the resolution of any disagreements between management and the independent auditor.

2. On an annual basis, receive from the independent auditor a formal written statement delineating, and review and discuss with the independent auditor, all relationships the auditor has with the Company (consistent with Independence Standards Board Standard 1) to determine the auditor's objectivity and independence, undertaking or recommending appropriate action to ensure and continue that independence.

3. Implement and administer the Company's Policy Regarding the Approval of Audit and Permissible Non-Audit Services Provided by the Independent Auditor.

4. Review the independent auditor's attestation and report on management's assessment and report on the effectiveness of the Company's internal controls over financial reporting, and hold timely discussions with the independent auditor regarding the content of that attestation and report.

5. At least annually, obtain and review a report by the independent auditor regarding:

(a) The firm's internal quality control procedures;

(b) Any material issues raised by the most recent internal quality-control review, peer review of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues; and

(c) All relationships between the independent auditor and its related entities and the Company and its related entities (with a confirmation that in the professional judgment the auditor is independent of the Company under all applicable laws, rules, and regulations).

C. Financial Reporting Processes

1. Review the integrity of the Company's financial reporting process, both internal and external, giving consideration to consultation with management and the independent auditors.

2. Review the Company's critical accounting policies and practices, and alternative treatments, as well as consider and approve, as appropriate, major changes to the Company's accounting policies and practices or internal controls over financial reporting as suggested by the independent auditor and/or management. Discuss with the independent auditor an analysis of the auditor's judgment as to the quality of the Company's accounting policies and practices.

3. Review and approve all related party transactions.

4. Establish and maintain procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls, or auditing matters, including procedures necessary to receive and respond to confidential and anonymous submissions by Company employees regarding questionable accounting or auditing matters.

D. Internal Audit

1. Discuss with management and the independent auditor the necessity of an internal audit function.

2. To the extent an internal audit function is considered necessary, to oversee the organization, objectivity, responsibilities, plans, budgets, and staffing of such a function.

E. Ethical and Legal Compliance

1. Review the Company's Code of Conduct and Code of Ethics for Senior Officers to ensure that management has maintained a system to comply with expected ethical and legal requirements.
2. Review, with the Company's counsel, legal compliance matters including corporate securities trading policies.
3. Review, with the Company's counsel, any legal matter that could have a significant impact on the Company's financial statements.
4. Discuss the Company's risk assessment and risk management, any steps taken by management to control or mitigate risk exposure, as well as any audit problems or difficulties and management's response.

F. Other

1. Prepare the Audit Committee report, in accordance with all applicable rules and regulations, to be included in the Company's annual proxy statement to shareholders.
2. Perform an annual self-assessment relative to the Audit Committee's purpose, duties and responsibilities set forth in this Charter.
3. Obtain advice and assistance from outside legal, accounting or other advisors as deemed appropriate to perform the Audit Committee's duties and responsibilities. The Audit Committee has the sole authority to retain and determine the funding for such advisors and shall be given the necessary resources to retain such advisors and to otherwise fulfill its functions as set forth in this Charter.
4. Perform any other activities consistent with this Charter, the Company's Bylaws and governing law, as the Audit Committee or the Board of Directors deems necessary or appropriate.

V. LIMITATIONS:

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine if the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. These are the responsibilities of management and the independent auditor.
